## **Warrior Solutions Leader's eBook Featured on palmOne Government Solutions CD**

Boulder, Colorado –Warrior Solutions announced that Warrior Solutions Leader's eBook is featured on version 2 of the palmOne Government Solutions CD. Charles M. Stibrany, LTC, USA Ret., Warrior Solutions Director, "We are very pleased to participate in the creation of this CD. It provides an excellent way for military leaders and those responsible for technology acquisition to learn about valuable mobile software tools."

*"The CD provides a quick reference to information about products and solutions from palmOne and third-party developers. Today's uncertain and complex environment mandates the government agencies become superior knowledge sharing organizations. Homeland security, e-government and many other important initiatives are prompting U.S. federal government, state & local government, and civilian agencies to streamline and improve their communication and collaboration processes. Handheld solutions from palmOne, Inc. help agencies become superior knowledge sharing organizations and mobilize and modernize government communications, internal operations and administrative functions. Easy to use and infinitely customizable, palmOne handheld solutions replace tedious and time-consuming data entry with fast, accurate, on-the-spot data capture and retrieval."* palmOne Government CD
